

## LAUNCH OF THE THIRD SEMP REPORT

*Earth Sciences for Namibia's Sustainable Development*

### **Ministry of Mines and Energy**

Annual Report  
Strategic Environmental Management Plan  
(SEMP) for the Central Namib Uranium Province  
2013

**May 2015**

Prepared by

**Geological Survey of Namibia**

The focus of the SEMP reports is on the assessment of compliance with 12 Environmental Quality Objectives (EQOs). Relevant data are presented to support the assessment.

122 indicators for the various EQOs are assessed according to a following colour-coded system:

*Status:*

**NOT MET**

**IN PROGRESS**

**MET**

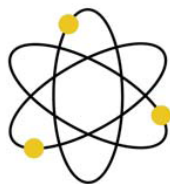

**EXCEEDED**

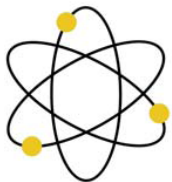

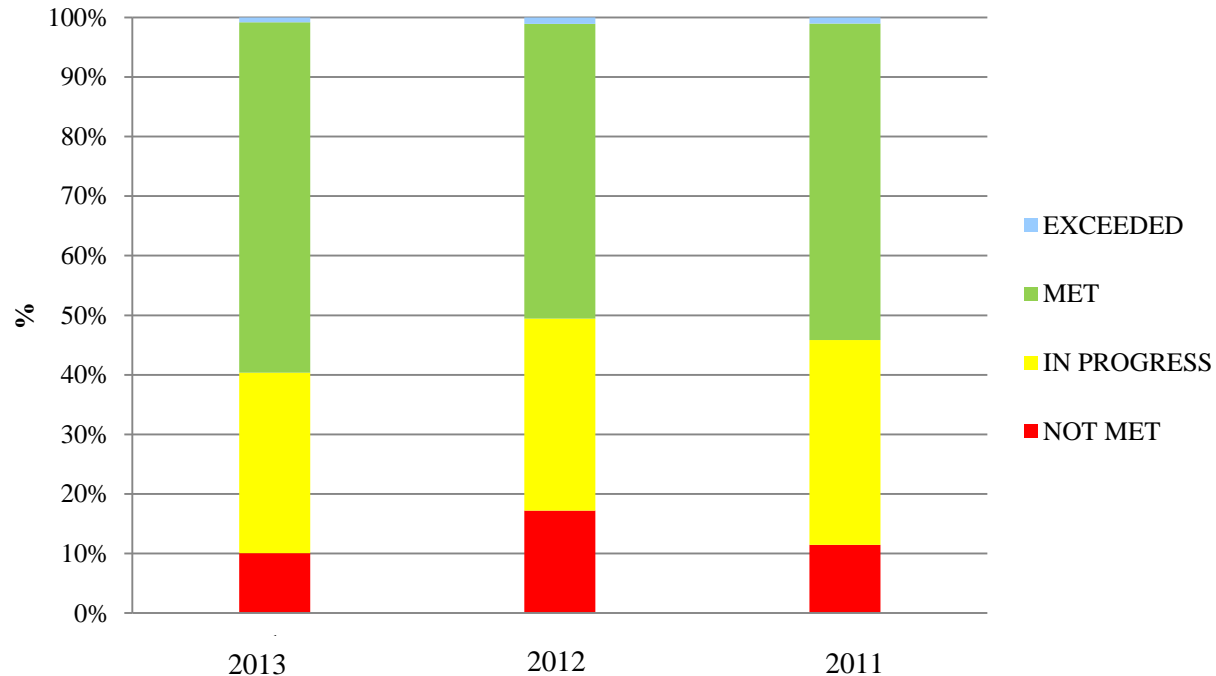

*Earth Sciences for Namibia's Sustainable Development*

## 2011, 2012 AND 2013 SEMP REPORTS IN COMPARISON

Status (%)	NOT MET	IN PROGRESS	MET	EXCEEDED
2013	10	30	57	1
2012	16	30	46	1
2011	11	33	51	1

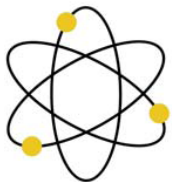

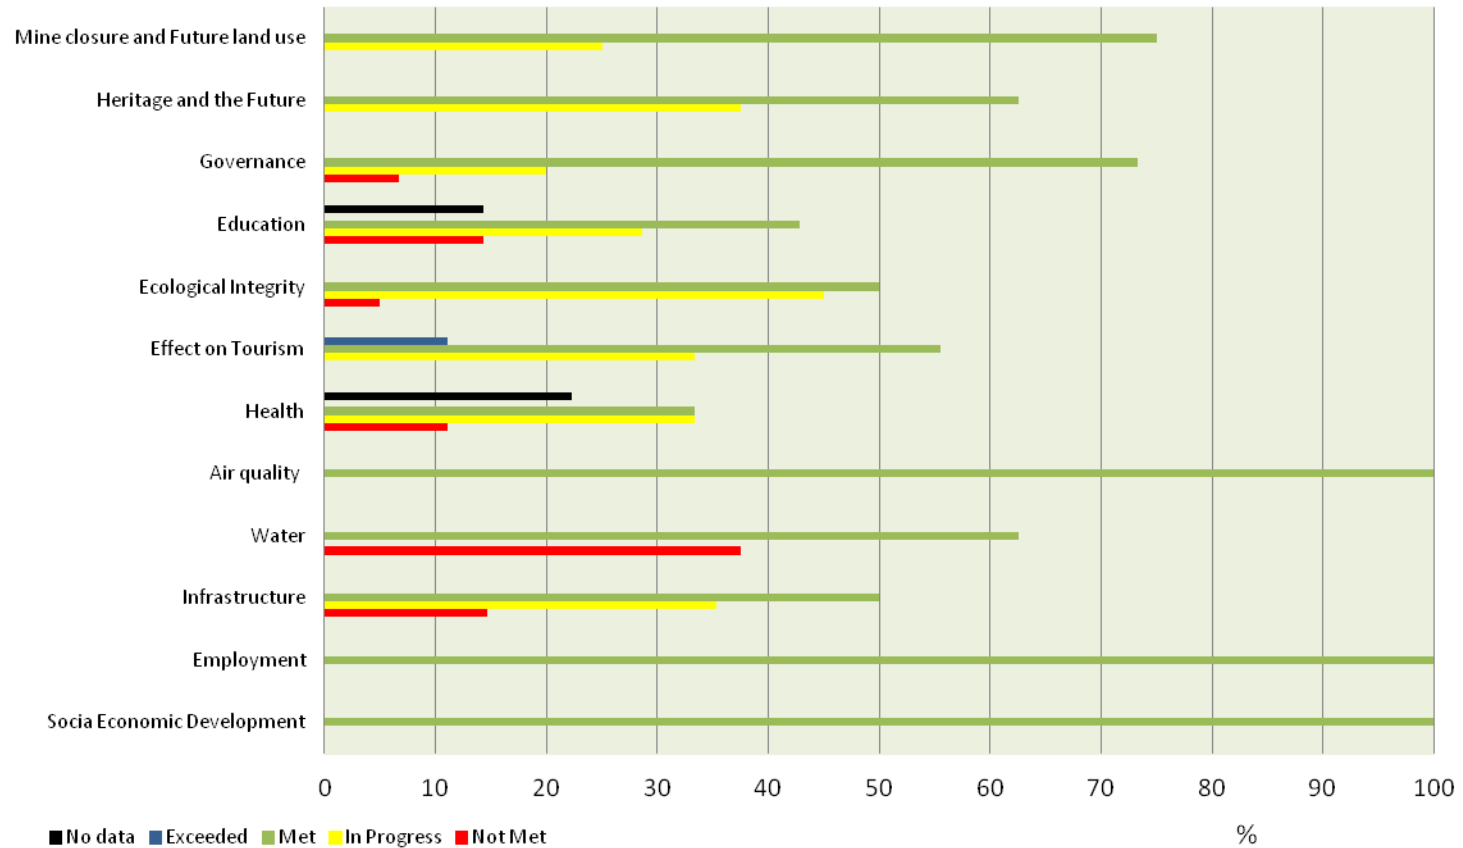

## 2011, 2012 + 2013 IN COMPARISON

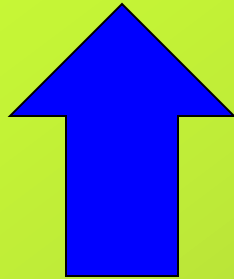

*Earth Sciences for Namibia's Sustainable Development*

Environmental Quality Objective Performance , 2013
